Immediate Report – Dividend Distribution

Bank Leumi le-Israel B.M. (“the **Bank**”) hereby gives notice that the Bank’s Board of Directors resolved yesterday, on 29 November 2010, to make a recommendation to the Bank’s General Meeting regarding the distribution of an additional dividend to the Bank’s shareholders, in the amount of NIS 500 million, for a total dividend amount of NIS 1.0 billion (including a distribution of a dividend in the amount of NIS 500 million in cash, as approved by the Board of Directors on 30 August 2010, and by the Bank’s General Meeting on 4 November 2010). The distribution of an additional dividend constitutes 26.9% of the Bank’s net profit for the first nine months of 2010, with the total of the distributed dividend, NIS 1 billion, constituting 53.8% of the Bank’s net profit for the first nine months of 2010 (“the **Distribution**”).

Subject to the approval of the Bank’s General Meeting, a dividend in the amount of some 34 *agurot* per share will be paid on 27 January 2011 to shareholders holding shares of the Bank on 10 January 2011 (the record date). The shares will be traded “ex-dividend” on 11 January 2011.

The Bank intends to convene a special Meeting of the Bank’s shareholders, the agenda of which will include the approval of the distribution, and the Bank will publish appropriate reports regarding this matter.

The Board of Directors’ resolution to make a recommendation to the General Meeting regarding the distribution of a dividend as described above was adopted in light of, *inter alia*, the following background information and details provided to the Board of Directors:

1. An opinion from the Accounting Department (which was reviewed by the auditors) according to which the Distribution meets the tests specified by law, including compliance with the profit test and the Bank’s solvency test, and is in compliance with the Supervisor of Banks’ Proper Banking Management directives regarding the matter. The opinion included details and information regarding the Bank’s compliance with the liquidity directives and regarding the Distribution’s impact on the Bank’s capital and on its compliance with the ratio of capital to risk assets – all taking note of the Bank’s capital adequacy policy.
2. An opinion from the Bank’s Chief Legal Advisor regarding pending claims against the Bank.
3. An opinion from the Head of the Bank’s Finance and Economics Division regarding the impact of the dividend distribution on the Bank’s capital planning.
4. Details of the distribution of the NIS 500 million cash dividend, which will be distributed by the Bank on 30 November 2010, as approved by the Board of Directors on 30 August 2010 and by the Bank’s General Meeting on 4 November 2010.
5. The Distribution is in compliance with the legal provisions regarding the distribution of a dividend, including with respect to the profit test and the solvency test, and is in compliance with the Proper Banking Management directives dealing with this issue, and with the Bank’s interim period capital policy.

6. The Bank's capital adequacy ratios are beyond what is required by the Supervisor of Banks, and the data for the quarter ending on 30 September 2010 indicate ample profitability at the Bank.
7. The Board of Directors believes that the Distribution will not affect the operations of the Bank in its current form, the Bank's ability to achieve its objectives for the coming year or the Bank's strategic plans, and it wishes that the Bank's shareholders share in the Bank's ample profitability, as described above.
